

**GEORGIA DEPARTMENT OF LABOR (GDOL)
WEEKLY WORK SEARCH RECORD**

Name (please print): _____ Social Security Number: _____

You must make at least three new job contacts each week. You are required to keep a detailed record of your work search activities and submit evidence of three verifiable contacts as a part of your weekly certification. A claim week begins on Sunday and ends on Saturday at midnight. **Your work search efforts are subject to audit by GDOL. Failure to submit a completed weekly work search record for any week claimed, or listing any unverifiable contacts, may result in a denial and/or repayment of benefits.**

Weekly work search records must be submitted by one of the following methods: Internet or fax. The faster, more preferred method is to submit by Internet. If you choose to fax your records, you must submit this form completed with your signature to one of the following numbers: 404-525-3605, 404-525-3606 or 1-877-302-1573 (toll-free). Other work search forms will not be accepted. We recommend you submit your work search immediately upon completing your weekly certification by Internet or Interactive Voice Response (IVR).

For each week claimed, record your work search activity on this form, completing all of the required information. The contact information provided must correspond with the week claimed. Retain a copy of this form for your records.
