When your company is designated as the legal forms holder, you are authorized to enter data from original signature documents and submit this information electronically to the GA WOTC Program Coordinator.

If you choose to be designated as the legal forms holder, click the checkbox below.

If you do not choose to be designated as the legal forms holder, you will not submit data electronically, but you can utilize the automated WOTC system to enter data and print documents. Send the original signature documents (IRS 8850, ETA 9061, and any supporting documentation) to the Georgia WOTC Program Coordinator.

My Company will be the legal forms holder of original signature documents as listed above.

Once selected, you will not have to reselect for subsequent user accounts for your company.
