

# You're INVITED!

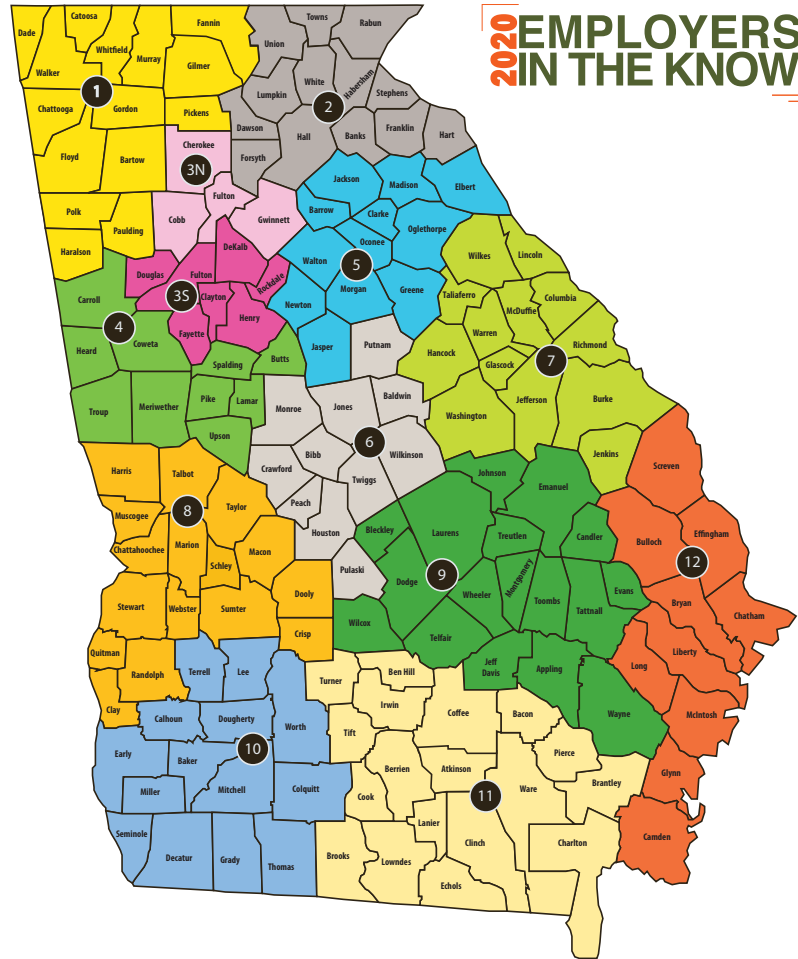

Georgia's Labor Commissioner, the Honorable Mark Butler, invites you to join us for "Employers in the Know 2020", a series of business seminars being offered this year throughout the state of Georgia. These empowering events provide an opportunity to learn about new and amended labor law regulations, legislation that may affect your business in 2020, and strategies for ensuring compliance and increasing profitability. These events provide businesses the important opportunity to meet and interact with Commissioner Butler as he shares valuable information about current Georgia Department of Labor initiatives and programs and how they can help your business grow and prosper. In addition, you will learn what Georgia is doing to encourage job growth and economic development throughout our great state.

Experienced labor law attorneys will be on hand to provide important information to help you plan your policies and actions in 2020's complex legal and regulatory business environment. In addition, we will have highly-qualified subject matter experts in attendance to provide valuable information, including updates on the Unemployment Insurance program, strategies for maximizing the benefits of the Federal Bonding Program, a presentation entitled "Workplace 2020: Tips for Retaining Quality Employees", and much more.

We look forward to seeing you and sharing our "20/20 Outlook" for Georgia!

This program has been pre-approved for 5.25 continuing education hours under SHRM-HRCI.
